Nature of allowance drawn by the Excise Inspectors in general

No. 8383 Dated 29/4/15 Received 30-4-15

Diary No. 4514	Enclos. 1 file Spare Copies. —	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Regrets orders whether the permanent monthly travelling allowance granted to Excise Inspectors and Asst. Inspectors, which is chiefly intended for the maintenance of a horse, may be given when the horse be owned, loaned or hired, and whether in special localities where a horse is not of much use to Inspectors this allowance can be granted when any other mode of Locomotion, a bicycle or a pukka, is maintained or used.

NOTES AND ORDERS.

1. Two points for decision:-

(1) An authoritative ruling whether the permanent monthly allowance given to Excise Inspectors & Asst. Inspectors

can be claimed when the horse is owned, loaned or hired.

(2) Clear instructions as to whether the horse allowance can be given where in certain localities any other conveyance, eg. a bicycle or a jutka, is maintained.

2. Point 1. (1) In the particular case in point on which this question has been raised, it is brought out that the Asst Inspector managed his inspection and outdoor work with the help of hired conveyance, chiefly a horse, and that he maintained it during the period for which the allowance has been claimed. This fact has been explained to in the bills.

(2) During the two months in question it is represented that a horse could not be purchased on account of transfer from one place to another and the fact that he had to dispose of the animal he had before his transfer owing to a certain defect in it and

that he purchased an annual
after that period.

(3) Generally it may be
expected that the officer
owned own a horse for fort
duty. But under special
circumstances, as in the
case in point, it is
certified that it may
be possible to manage
the work efficiently with
hired conveyances, but
only for short periods.
In this connection it
may be pointed out
that the Head of the Dept
or the Dt Excise Officer
is a better Judge to say
whether the Officer can do
full justice to the work
with animals loaned.
One point may be mentioned
viz that an Officer is put
to some expenditure for
hiring & maintaining a horse
or pony.

Point 2. (a) Using a bicycle. According

7. As regards the 2nd question it is subd that it has been ordered that a bicycle may, at the discretion of the Excise Comnr be substituted for a horse ~~and that in such cases~~ with reduced allces (Vide footnote App. G.)

The Excise Comnr speaks of a jutka MSR
It seems that as was done in the case of bicycle, the discretion may be given to the Ex-Comnr. If reduced allce in this case is hard, allce not exceeding the amount of horse allce may be sanctioned. Any amount exceeding the horse allce may not perhaps be advisable

I agree Read as regards portion marked A.
Maintaining a jutka includes maintaining a horse and if a jutka is 'maintained' bonafide the horse allowance may I think be passed.

Excise Commissioner in Mysore.

To

D. M. Narasinga Rao, Esq., B.A., B.L.,
Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

In submitting herewith the file of correspondence, received under cover of the Mysore District Deputy Commissioner's docket No. 454, without date, reporting that the Assistant Inspector referred to therein is not entitled to the horse allowance in question, as he did not maintain a horse, but, managed his inspection and other - - out-door work with the help of hired conveyances, I have the honor to state that, as enjoined under Note 1 to Article 576, Mysore Service Regulations, the permanent monthly travelling allowance granted to Excise Inspectors and Assistant Inspectors is chiefly intended for the maintenance of a horse. It is not clear, however, if the claim can be made whether the horse be owned, loaned or hired. I, therefore, request you to be so good as to obtain from Government an authorita-tive interpretation of the term for my guidance in the matter. It may also be made clear, by a ruling on the point, if claims to horse allowance by Range Inspectors and Assistant Inspectors can be accept-ed if, as in the Malnad area where a horse is not of much use to ther, any other mode of locomotion, e.g., a bicycle or a jutka, is maintain-ed and used by them for purposes of inspection.

not received.

I solicit the favor of early orders.

ice in special localities like
the ad where a horse is not of
much use for purposes of inspection,
I am directed to state as follows:-

For drawing the allowance it
is necessary that a horse should be
maintained, but it need not necessarily
be owned and may be loaned or hired.
In these latter cases, however, the
allowance is admissible only if the
arrangement is for the entire period
for which the allowance is claimed
and not for individual journeys
and the Officer has the horse at his
disposal always.

When the means of loco-
motion are kept in particular
instances with your permission,
the full allowance will be ad-
missible when a horse pukka
is maintained but only
reduced rates (shown in the
footnote of Appendix G of the
M.S.R when bicycles or bullock
